To ensure staff understand their obligations with regard to providing information to Elected Members and the set service standards.
GUIDELINE ON INTERACTION BETWEEN ELECTED MEMBERS AND STAFF

1. SCOPE

Port Pirie Regional Council acknowledges that Elected Members require access to Council information and staff in order to exercise their civic duties under the *Local Government Act, 1999* (The Act). Interactions between Elected Members and staff are necessary to facilitate well-formed policies and decisions and to provide optimum service delivery.

This Guideline applies to Elected Member requests for information from staff. It governs the interaction of Elected Members and Council staff, and as such is an enforceable part of the Code of Conduct.

Personal information regarding employees will not be provided to Elected Members. However, Elected Members have the ability to apply to the Chief Executive Officer to inspect a staff Register of Interest (Section 118 of the Act).

2. INTRODUCTION

Good governance and effective service delivery are dependent on a good working relationship between the Elected Members and staff. Working as a team to achieve the community’s aspirations for the region is critical to the success of the organisation. This requires mutual respect of both staff and Elected Members of each others roles and responsibilities.

Good open and respectful communication is seen as critical to building strong working relationships between Elected Members and Council staff.

Good governance requires clear and effective communication protocols for Elected Members and senior staff which provide for courteous and respectful communication.

This Guideline outlines how effective communication and flow of information can be achieved between Elected Members and staff; it provides a table of service standards with regard to Councillor and staff interactions; and it provides a dispute resolution mechanism.

Interactions that are not conducted in accordance with these Guidelines may be inappropriate and contrary to the Council’s Code of Conduct.

3. LEGISLATION AND COMPLIANCE

Section 61 of the Local Government Act 1999 ‘Access to Information by Members of Councils’ states:

1) A member of a Council is entitled at any reasonable time, in connection with the performance or discharge of the functions or duties of the member (whether under this or another Act), without charge, to have access to any relevant council document, including (but not limited to) –

   a) a copy of a written contract entered into by the Council, or a copy of a document relating to a contract that is proposed to be entered into by the Council;

3. LEGISLATION AND COMPLIANCE (Cont’d)

b) accounting records kept by the Council;
c) financial statements and other documents prepared by the Council under Chapter 8.

2) A request for access to a document under subsection (1) should be directed to the Chief Executive Officer, or another officer specified by the Chief Executive Officer for the purposes of this section.

3) The Chief Executive Officer or another officer providing access to a document under subsection (1) may indicate to the member that information contained in the document is, or should be considered as, confidential.

Section 62(3) and (4) of the Local Government Act 1999 states:

(3) A Member or former Member of a Council must not, whether within or outside the State, make improper use of information acquired by virtue of their position as a member of the Council to gain, directly or indirectly, an advantage for him or herself, or for another person or to cause detriment to the Council.

(4) A member of a Council must not, whether within or outside the State, make improper use of his or her position as a member of the Council to gain, directly or indirectly, an advantage for himself or herself or for another person or to cause detriment to the Council.

Maximum penalty: $10,000 or imprisonment for two years.

Note a breach of the Local Government Act - as set out above is a matter to which a criminal penalty attaches. Alleged breaches should be reported to the Office for Public Integrity refer to Council’s Fraud and Corruption Prevention Policy.

In addition, the Mandatory Code of Conduct for Elected Members stipulates that Elected Members:

2.11 Not bully or harass Council staff.
2.12 Direct all requests for information from the Council administration to the Council’s Chief Executive Officer or nominated delegate/s.
2.13 Direct all requests for work or actions by Council staff to the Council's Chief Executive Officer or nominated delegate/s.
2.14 Refrain from directing or influencing Council staff with respect to the way in which these employees perform their duties.

4. APPROPRIATE STAFF CONTACTS

The mandatory Code of Conduct for Elected Members, as Gazetted by the South Australian Government, stipulates that Elected Members:

2.12 Direct all requests for information from the Council administration to the Council's Chief Executive Officer or nominated delegate/s.
2.13 Direct all requests for work or actions by Council staff to the Council's Chief Executive Officer or nominated delegate/s.
4. APPROPRIATE STAFF CONTACTS (Cont’d)

The Chief Executive Officer authorises the following staff interaction:

- Contact between Elected Members and Directors is appropriate for matters specific to that Director’s area of individual responsibility.
- Contact with Council’s Infrastructure Administration Assistant is appropriate for all Elected Member service requests and enquiries.
- Contact with other specific staff is appropriate as part of an Elected Member’s role on a Committee, at Council events or meetings, and similar situations.
- In some instances, a Director or the Chief Executive Officer will direct individual staff to contact Elected Members to provide specific information or clarification relating to a specific matter.

Apart from the instances above, all communication with Elected Members is to be made via the Chief Executive Officer or relevant Director.

5. PERSONAL INTERACTION BETWEEN ELECTED MEMBERS AND STAFF

While this Guideline, and the Code of Conduct, governs the interactions between Elected Members and staff, it does not prevent Elected Members and staff from communicating generally. From time to time, Elected Members and staff may be present at social and community events. In such situations, both parties must refrain from discussing matters relating to Council business.

6. REQUESTS FOR SERVICE

Elected Members are strongly encouraged to promote residents to report issues or requests for services direct to Council as per its Request for Service Policy in order for their issues to be accurately reported and promptly attended to.

Elected Members should make requests for service or report issues through the Council’s service request system to ensure that Council has a record of the request, to allow this request to be monitored and to ensure that it is attended to within Council's service standards. Service requests can be made by:

- The My Local Services App
- Emailing (techadmin02@pirie.sa.gov.au) or telephoning (8633 9666) Council’s Infrastructure Administration Assistant.

All customer service requests are logged and then sent to the relevant Council officer for a response. All Elected Member requests to the Service Request System will be acknowledged by email (with a reference number provided).

Where an Elected Member request requires the allocation of non-budgeted resources or expenditure of non budgeted funds, the Elected Member will be requested to consider putting forward a Notice of Motion.
6. **REQUESTS FOR SERVICE** (Cont’d)

If an Elected Member would like staff to contact and update a resident directly, they should indicate this in their request. When sending a service request, Elected Members should include sufficient information to enable staff to respond, for example, the name and contact details of a resident if staff are required to contact them.

7. **REQUESTS FOR INFORMATION**

An Elected Member will be provided access to all documents held by Council that are relevant to the performance of the Member’s functions or duties.

All Elected Member requests for Council information or documents must be directed to the Chief Executive Officer or relevant Director and will be recorded in the Register of Member’s Requests. The request may be made in person, by phone or by e-mail.

Members are required where practical to make any requests for information/documents in a timely and considerate manner to minimise the impact on staff/public resources.

The request should:

- Identify the document/s or information being sought with enough detail for the document/s or information to be identified and retrieved.
- State the reason(s) for the request.
- Form of access preferred by the Member eg read only, copies provided, and electronic pdf.

Unless there is a clear and valid reason to the contrary, an Elected Member will be provided access to information or document/s if they are held by Council. Where access to a document is not provided, the reason for denial of such access should be given to the Elected Member in writing.

The ‘form of access’ to the document/s will be negotiated with the Elected Member to take into consideration the particular needs of the Member, administrative efficiency and the degree of sensitivity in relation to the document. Access to information will be in accordance with statutory requirements and best practice from a probity and process perspective. In some cases access may be limited to ‘view only’ at a mutually convenient time at the Council office.

Where access is granted to a document or other information of a sensitive nature, a copy of the e-mail advice will also be sent to other Elected Members. A general principle is that advice or information to one Member should be available to all.

The Chief Executive Officer should indicate to Elected Members, if information contained in the document is, or should be considered as confidential.

Elected Members must not use confidential information to gain advantage for themselves or for any other person or body, in ways which are inconsistent with their obligation to act impartially, or to improperly cause harm or detriment to any person or organisation.

7. REQUESTS FOR INFORMATION (Cont’d)

Where an Elected Member requires an update on a project or issue that is not part of the customer request system they should contact the relevant Director or the Chief Executive Officer during business hours. The relevant officer will provide the Elected Member with the information requested (if the information is known to the officer and the request is in accordance with any relevant policy) within 24 hours. If the requested information is not known or not readily available, the officer will indicate to the Elected Member when it will be available.

8. COUNCIL AGENDA AND REPORT ENQUIRIES

Council reports are the formal means for providing advice to Elected Members and provides relevant data, issues, options and advice to enable Members to consider the matter and make a decision at the Council meeting.

It is expected and encouraged that Elected Members may wish to ask questions or seek clarification on a report prior to the Council meeting. Report authors will make themselves available prior to a Council meeting to assist Members with enquiries.

This practice will facilitate the smooth running of the Council meeting and improve the efficiency of the decision making process.

Information that is requested by an Elected Member that is relevant for an item to be debated by Council or is deemed relevant to all Elected Members, will be provided each Elected Member.

9. PERSONAL ENQUIRIES

Elected Members and staff must follow the same process as all other members of the public if they require information, action or advice in relation to a personal or private matter.

Elected Members and staff should be mindful of the public perception of their request and direct all general enquiries to the Customer Request Service system as appropriate.

If a staff member receives a request from an Elected Member which is not considered relevant to the Elected Member’s civic duties, the Chief Executive Officer is entitled to require the Elected Member to demonstrate how the request relates to their civic duties.

If the Chief Executive Officer is not satisfied that the request relates to the Elected Member’s civic duties, the Chief Executive Officer is entitled to refuse to action the request or advise the Elected Member of the normal process for members of the public to make such requests.

10. CONFIDENTIALITY

The information provided for Elected Members is generally intended for their information only and emails should not be copied to residents without the authors consent. Council staff provide support to Elected Members with the responses provided for the information of Elected Members only, in accordance with the provisions of the Local Government Act.

Staff will endeavour to indicate to Elected Members if a response contains confidential information and it is not in the public interest to circulate to residents.

If after this approach they are still dissatisfied with the outcome, the issue should be raised with the Chief Executive Officer. If the Elected Member is still dissatisfied with the outcome the issue should formally be raised via a Notice of Motion at a Council meeting.

Elected Members are encouraged to advise the Chief Executive Officer where an interaction is inappropriate.

Staff are empowered to advise Elected Members where an interaction is inappropriate and to refer them to these Guidelines. Alternatively, staff should inform their Manager or Director of any inappropriate actions.
