4. POLICY STATEMENT (cont'd)

4.1 Disaster Risk Reduction (cont'd)

In accordance with the SEMP, Port Pirie Regional Council will: (cont'd)

- represent community interests in emergency management to other spheres of government and contribute to decision-making processes;
- ensure all requisite local emergency planning and preparedness measures are undertaken;
- undertake public education and awareness to support community preparedness measures. ¹

In accordance with the LGEMF, Port Pirie Regional Council will:

- Understand and communicate current and emerging disaster risks;
- Integrate disaster risk into existing plans and decision-making (e.g. strategic plans, risk frameworks, asset management plan, climate change plans);
- Partner with local stakeholders in addressing priority emergency risks;
- Strengthen disaster resilience in communities through community development.

4.2 Incident Operations

In accordance with the SEMP, Port Pirie Regional Council will:

- ensure an adequate local council emergency response capability is in place, including resources for the local volunteers;
- ensure appropriate local resources and arrangements are in place to provide and support emergency relief and recovery services to communities;
- participate in post-emergency assessment and analysis.²

In accordance with the LGEMF, Port Pirie Regional Council will:

- Develop a locally relevant risk based suite of incident operational arrangements;
- Build capability of council to participate in the Local Government Functional Support Group (LGFSG);
- Participate in incident operations in accordance with the i-Responda operating platform.

5. EMERGENCY MANAGEMENT DOCUMENTS

In addition to this policy, Port Pirie Regional Council will maintain an Emergency Management Plan, Incident Operations Arrangements, Recovery Arrangements and any other supporting documentation that:

- Describes the strategies and actions that council will take to implement this policy;
- Identifies relevant local, regional and state emergency management plans and arrangements that impact upon council;
- Responds to guidance for council provided by the SEMP and other emergency management plans, strategies, frameworks and guidelines;
- Identifies linkages between emergency management objectives and Port Pirie Regional Council's strategies and business, financial and other plans.

Council will maintain its commitment to locally relevant plans developed in consultation with Port Pirie Regional Council. Where Council resource commitments are made in these plans they will be subject to normal strategic and business planning processes of council.

6. FINANCIAL SPENDING

Arrangements for financial spending during emergencies are as per the Procurement Policy.

7. SUPPORT TO CONTROL AGENCIES AND EMERGENCY SERVICES

Port Pirie Regional Council works within the requirements of the Work Health and Safety Act 2012. Occasionally council staff and/or equipment will be requested to support control agencies and emergency services in managing emergencies.

When council resources are made available to support control agencies and emergency services this will be in accordance with:

1. Council's incident operations arrangements;
2. LGASA Mutual Protection guide for incident operations;
3. The Local Government Incident Operations guide (including i-Responda).
