

A WORD FROM THE MAYOR

Hello to all. As you would imagine there is a lot to tell since you last heard from the Port Pirie Regional Council, faces have changed in particular mine as your new Mayor. I would like to thank everyone who voted in this year's election, we saw an increase in numbers since the 2014 election which means all of you are interested in where your Council is headed. Our driving influence for the next four years is to become more attuned to our community's needs through the services we offer and to increase our efficiencies. Therefore looking to spend your money wisely, to obtain better outcomes for the community and further improve our communications to the people in the regional areas.

It is very important to us to unite the region by way of services we provide and projects we deliver and in particular to ensure better distribution of our attention. We plan to engage in producing a 5 to 10 year plan for all towns within the region. We will ensure a wish list of needs is constructed through public consultation and all and sundry are aware of the direction your towns will be heading on your behalf. The future is now and I urge you to join with us in making our communities grow and having ownership of that.

Back to our newly Elected Members of Council, Deputy Mayor Alan Zubrinich, Councillors Neville Wilson, Kendall Jackson, Dino Gadaleta and Michael Hopgood all returning and new Councillors Joby Connor, Matt Perks, Jack Keain and Ali Gulin. A great mixture of talent amongst all of them and I personally could not have wished for a better team to work with over the next term. Our approach will be different than the past, by introducing portfolios to the roles of councillors, we wish to draw on their expertise in their chosen fields and to assist us in building a better profile of the go to people of Council based on your needs.

As we fast approach Christmas, I, the Elected Members and staff of the Port Pirie Regional Council, would like to wish you a very safe and Merry Christmas and a Happy New Year and I look forward to keeping in touch with you throughout the coming year.

Yours sincerely,

Leon Stephens
MAYOR
