New books just for Dad!

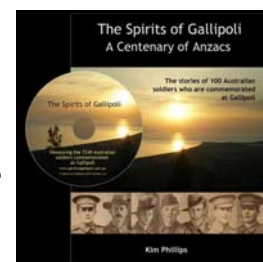

Not your usual bushrangers (Peter Macinnis)

Colonial Australia beyond the Wild Colonial Boy and the Kelly Gang. Discover the endearing Moondyne Joe and Diver Fitzgerald, scallywags rather than villains, as well as some who affected a gentlemanly front, a sort of false gallantry that did not sit well with their thieving ways, plus the thugs with no saving graces.

The spirits of Gallipoli: a centenary of Anzacs (Kim Phillips)

The Spirits of Gallipoli, A Centenary of Anzacs tells the stories on 100 of these brave Australian soldiers. Connect with these men as you learn of their home, their families and their journey to Gallipoli.

Plants from pips: how to grow a garden from kitchen scraps (Holly Farrell)

What do avocados, apples, mangoes and tomatoes have in common? The answer is that they can all be grown at home, from pips that you would otherwise throw into the recycling bin.

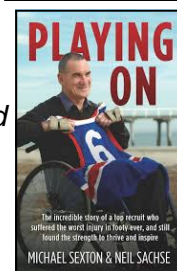

1001 great fishing tips (Paul Worsteling)

How to fish. Where to go. When to try. What to take. Which to catch. The ultimate guide to catching fish in Australian waters - whether it's off the rocks, in a boat, at the beach, sitting on a jetty or standing on a riverbank or an estuary shore.

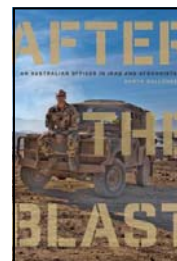

Playing on: the story of Neil Sachse (Neil Sachse and Michael Sexton)

Playing On is an inspiring story of great courage and resilience, and the most catastrophic injury Australian Rules football has ever experienced.

After the blast: an Australian officer in Iraq and Afghanistan (Garth Callendar)

In 2004 Garth Callendar was deployed to Iraq. He quickly found his feet leading convoys of vehicles through the streets of Baghdad and into the desert. One morning his crew was targeted with a roadside bomb and Garth became Australia's first serious casualty in the war.

Working dogs: a celebration of an Australian icon (Samantha Sainsbury and Kylie Mason)

Working Dogs celebrates the contribution of these remarkable animals in our communities and on our farms.
