#### 4. POLICY STATEMENT

When considering making an order within the scope of this policy Port Pirie Regional Council will consider the following principles, which are considered central to the effective resolution of local nuisances on private land:

- 1. Each case for the possible use of the order making powers will be considered on its merits. Factors that Council will consider include:
  - Severity of the incident
  - Hazard/danger posed to the community
  - Risk to health/safety of the community
  - Detraction from the amenity of the locality
  - Repeated occurrence of the activity/incident (e.g. duration, previous offences)
  - Impact of any previous actions to overcome the problem
  - Is the breach significant/substantial?
  - Would an informal warning letter be sufficient?
  - Are there any public interest issues?
  - Whether there is sufficient evidence upon which Council may rely to exercise its order making powers
  - The offender's attitude
  - Number of complaints received in respect of the matter (if any).

#### 5. PROCESS AND PROCEDURE

Except in the case of an emergency described below, before making an order Council will give notice of its intention to make an order in accordance with section 255 of the Act by:

- Giving the person to whom an order is intended to be directed a notice in writing stating the:
  - proposed action
  - terms of the proposed order (i.e. what it requires the person to do or refrain from doing)
  - period within which compliance with the order will be required
  - penalties for non-compliance; and
  - reasons for the proposed action; and
- Inviting the person notified of the opportunity to give reason/s, within a specified time, why the proposed action should not be taken.

Council will proceed to make an order without negotiation or notice, in accordance with section 255(12) where Council considers the circumstance or activity constitutes, or is likely to constitute:

- a threat to life; or
- an immediate threat to public health or public safety; or
- an emergency situation.

#### 6. **REVIEW RIGHTS**

Pursuant to section 256 any person to whom an order is issued (including an order issued under sections 254, 216 or 218 of the Act) has a right to appeal against the order. Any such appeal must be lodged within 14 days of that person's receipt of the order. The Council will ensure that reference to this right of review is included in any order issued.

#### 7. NON-COMPLIANCE WITH AN ORDER

If an order is not complied with within the time fixed for compliance (or if there is an application for review, within 14 days after the determination of the review) the Council may (subject to the outcome of any review) take the action required by the order.

The reasonable costs and expenses incurred by Council in taking action under this section may be recovered by Council as a debt from the person who failed to comply with the requirements of the order.
