

VARYING MY PERMIT TO VEND ON COUNCIL LAND

FACT SHEET

Are you wanting to vary your permit?

Do you want to change your location?

Do you want to set-up outside of the authorised operation hours?

Council is happy to consider any variation proposed; however this will require an assessment on the likely impacts to the area. Variations may only include Local Government Land such as Council verges, footpaths, parklands, and the like. You may seek a variation to the existing permit at any time.

Are you wanting operate outside of the conditions outlined within your Permit?

Any changes to the approved activity must be with prior approval from the issuing authority (Council).

In the event that you require additional time to set up or you would like to change the location of the permit outside of the Port Pirie Regional Council acceptance areas, you may request to vary your permit by contacting Council's Development & Regulation team on 8633 9777 or developmentandregulation@pirie.sa.gov.au to discuss.
