cyber [smart:]

Office of the eSafety Commissioner

This site features a one stop shop of cybersafety information which includes a practical, quick reference guide to a number of common cybersafety issues for parents and how to manage them as well as how to deal with issues concerning social networking websites.

The AFP is dedicated to preventing all Australians from becoming victims of online crime by empowering them to use technology safely and responsibly. This website contains some valuable information sheets that are easy to understand and cover topics such as security on the Internet, protecting your children online, password protection and much more.

ThinkUKnow is an Internet safety program delivering interactive training to parents, carers and teachers.

Created by the UK Child Exploitation and Online Protection (CEOP) Centre, ThinkUKnow Australia has been developed by AFP, Microsoft Australia, Datacom and the Commonwealth Bank of Australia, supported by the Northern Territory Police, Queensland Police Service, South Australia Police, Tasmania Police, Western Australia Police and Neighbourhood Watch Australasia
