

TAKE THE PLEDGE AND WIN!

Recent bin inspections found that many red lidded household waste bins were overfull with materials which could be recycled or mulched.

Do you know what items can be recycled in your yellow lidded bin, or mulched via your green lidded bin? See over to find out what belongs in these bins.

What can you do?

Take the online pledge to commit to sending less to landfill, by using your yellow and green lidded bins for recyclable and compostable materials.

Once you have taken the pledge, we will send you a sticker to place on your red lidded bin to show everyone you are committed to reducing landfill.

You will also go in the draw to win a gift box from the Tourism and Arts Centre, or a voucher to the Waste Transfer Station (valued at \$30).

Tips:

- Flatten boxes, cartons and milk bottles to fit more in your recycling bin.
- Put all items in loose.
- Recyclable containers must be empty and dry – no need to rinse.
- Pizza boxes can be recycled – just eat the pizza first!
- Do not overfill or pack bins too tightly. Make sure the lid can close.

Visit pirie.sa.gov.au to take the pledge today!

Terms and conditions: Residents of Port Pirie Regional Council who 'Take the Pledge' will go in the draw to win a gift box from the Tourism and Arts Centre, or a voucher to the Waste Transfer Station (valued at \$30). Each week of the competition period, 10 randomly chosen households will have their bins inspected. Refer to Council's website for competition dates and full terms and conditions.

RECYCLING

✓ YES

Paper and cardboard
